Statement of Understanding

The **Kansas Small Business Development Center's (KSBDC)** is pleased to have you as a client. The KSBDC is a business development service for the State of Kansas that provides counseling, management education, and technical assistance to Kansas businesses and aspiring entrepreneurs. The KSBDC counseling approach is one of guidance and education, not of doing the work for the client. Counseling services are not intended to compete with or replace services available in the private sector.

As a new client of the KSBDC, we want to advise you of rights and responsibilities that you have as one of our clients.

KSBDC Responsibilities

- Keep all client communications and information confidential unless authorized by client.
- Provide courteous and professional service.
- Advise client if the KSBDC is unable to provide services.
- Provide one-to-one consulting free of charge. Advise client of any fees for training, research or other services.
- Provide information about accessing capital. We can assist you by running, analyzing and critiquing cash flow projections. This type of assistance DOES NOT imply an endorsement of your proposal by the KSBDC, nor does it indicate intent to approve your loan request by any lending institution or guaranty institution, public or private.

Client Responsibilities

- Provide all information necessary to enable the consultant to properly assist you, including information required by SBA.
- Be honest and direct about everything related to you as an entrepreneur and your potential or existing business.
- Provide complete information on your financials, cash flow, operations data and business plan.
- Notify your consultant if you do not understand the proposed plan of action.
- Cooperate with your consultant and consider the recommendations your consultant may make to help you improve your business.
- Advise us of any concern or dissatisfaction you may have with the assistance being provided.
- **Complete a written evaluation of services provided when requested.** This may include participation in electronic or telephone satisfaction and economic impact surveys.

Quality Assurance

We welcome you as a client and encourage your comments regarding our services. You can do so by calling the KSBDC State Director from anywhere in Kansas toll free (877-625-7232).

Request for Service

I have reviewed and understand the above Statement of Understanding as it applies to my responsibilities and those of the KSBDC Consultant. I request business consulting service from the Kansas Small Business Development Center (KSBDC). I agree to participate in surveys designed to evaluate SBA services.

By my signature below, and in consideration of the center's furnishing of management or technical assistance, I waive all claims against the center's personnel, KSBDC host organizations, and the SBA. I understand that there are no warranties or assurances in connection with the consulting assistance. I further understand that the consultant(s) agrees not to: 1) recommend goods or services from sources in which he/she has an interest, and 2) accept fees or commissions developing from this consulting relationship.
